Dear Mr. Gart:

The first item under "Today's People" (6 January) begins as follows: "Former CIA agent and convicted burglar Frank Sturgis...."

I call your attention to the findings of the Rockefeller Commission in 1975 (p.252): "Frank Sturgis was not an employee or agent of the CIA either in 1963 or at any other time. He so testified under oath...."

Sincerely,

A handwritten signature in dark ink, appearing to read "Herbert E. Hetu".
